

HASH COAT RACK

NEW TENDENCY

480 × 1330 mm

330 × 1330 mm

480 × 330 mm

HASH coatrack is a versatile storage piece for a foyer, bedroom or living room. Hash is eye-catching, yet discrete. The coatrack consists of four steel rods that intersect and rest upon one another, creating a simple structure of clean lines. At the top of each rod is a notch for hangers, garments and bags. Each rod is produced separately, thus the coatrack can be assembled and disassembled as needed.

HASH, 2014, NEW TENDENCY

Powder coated steel, 670 × 460 × 1750 mm
