META is a side table and our signature piece. Suitable for living or bedrooms, it consists of horizontally and vertically arranged rectangular and circular forms of powder-coated steel. META's shape changes from delicate and thin to substantial and full depending on the viewing angle. With horizontal and vertical storage for books and magazines and a top for a decorative accessory and lamp, META is best suited as a side table in a bedroom or living room. It is available in white, black or any custom color.
