NEW TENDENCY

475 × 25 mm

290 × 25 mm

475 × 290# mm

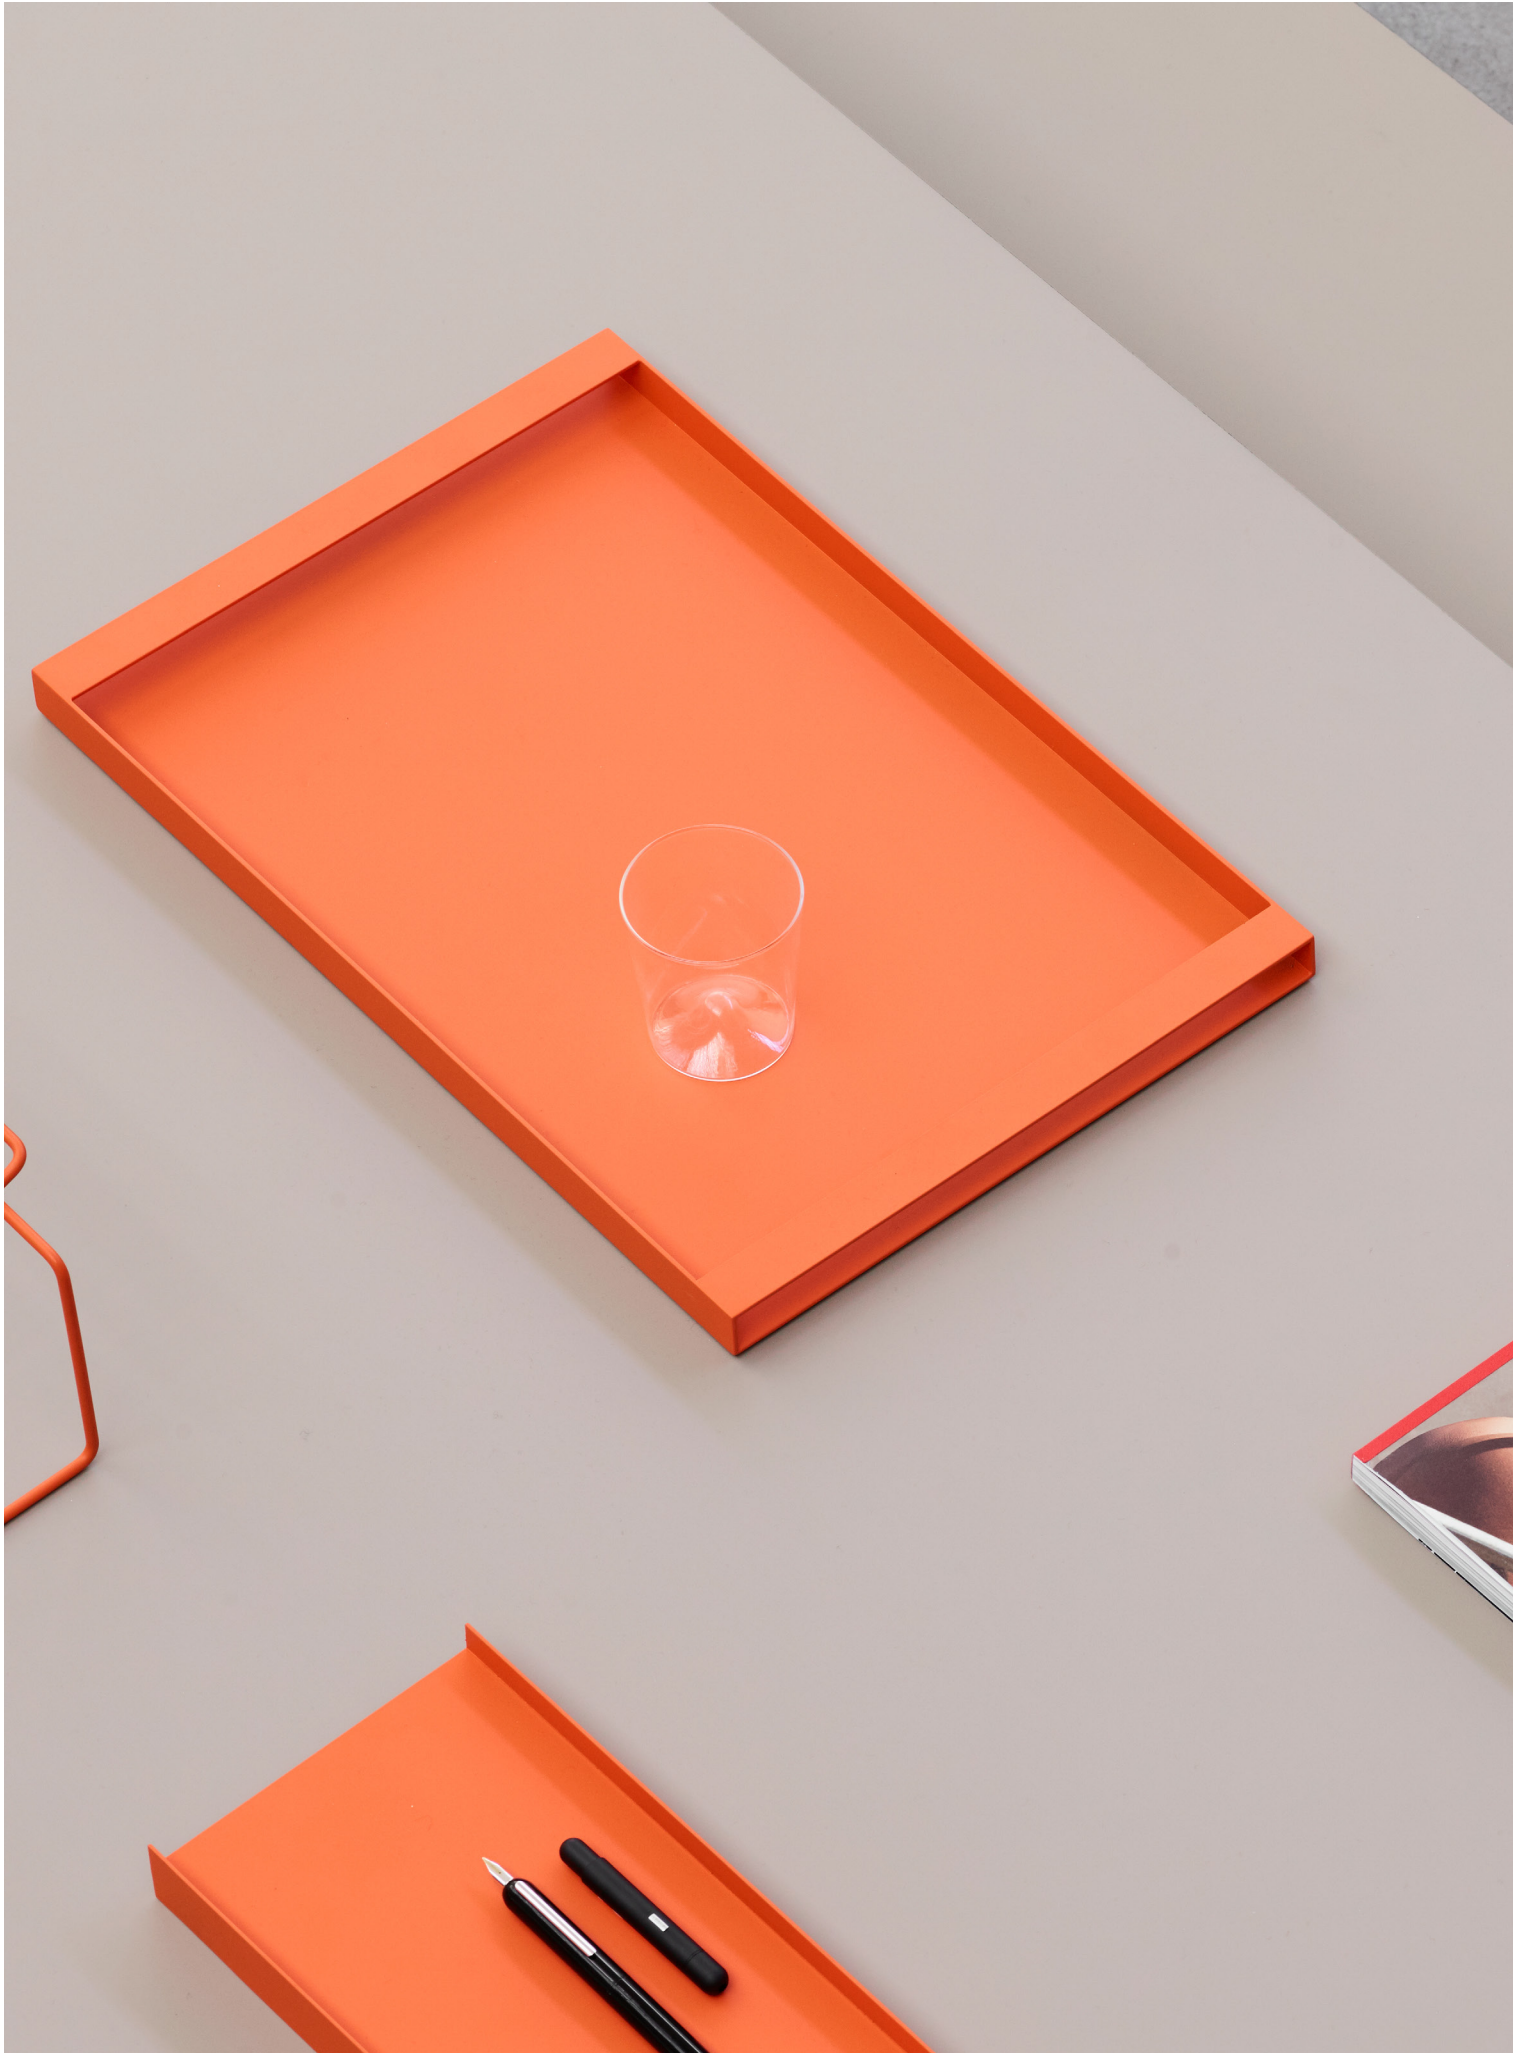

TOREI is a serving tray. It offers functional serving possibilities and can be used to both keep things close at hand and decorate the table. TOREI is made from a flat, ultra-thin sheet of steel which is precisely welded by hand. TOREI is available in two different sizes. A matte powder coating finish in Umbra, Sand and Orange amongst others adds to a natural look for this minimalistic design piece.
